The
Foundation
TODAY

The **VISION** of the ARMA International Educational Foundation is to be the leading organization that facilitates research, scholarship, and education for the information management profession.

The **MISSION** of the ARMA International Educational Foundation is to provide current and relevant resources to information management professionals allowing them to advance the profession.

VALUES

- Sustain the visibility and value of leading-edge research, and encourage lifelong learning in information management.
- Maximize and leverage investments in the information management field to support the profession and the professional.
